

MITIGATION PLAN MAINTENANCE

The Bingham County Wild Land Fire Review Committee will be responsible to conduct an annual review of the plan. This annual review should include progress on the action plan from the previous year or years.

The Wild Land Fire Review Committee consists of: Bingham County Weed Control Supervisor, Bingham County Emergency Management Coordinator, County Commissioner, Blackfoot Fire District Chief, Shelley Fire District Chief, Aberdeen Fire District Chief, Firth Fire District Chief, and the Atomic City Fire Department.

The Committee will review the action plan and determine if items should be removed or additions made. Each year following the review process, all jurisdiction involved in the plan will receive a copy of the updated plan.
